III Overall perception of functioning of the government:

50-60% of people of Ppt Qindna perception about functioning of the Government is quite satisfactory. Only unsatisfied about implementation of works on ground which is not done on time.

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

A assessment during visit people have lot of hope from Jakk union territory if ^{things are} implemented ~~things~~ in ground level. Also people highlighted/remember B2V1 demands which is not fulfilled yet. Govt need. taken the steps towards implementation of work in ground and awareness about it, B2V2 is then successful if it is done so.
