All the Departments except Irrigation/Mechanical Irrigation Dept, Social forestry Handicrafts and Handlooms were present through their frontline workers and noted the points pertaining to their Departments. The residents of the Panchayat Halla Meel lauded the role of functionaries of the Rural Dev. Dept. Particularly the Panchayat Secretary, Gram Roggar Sahajani, Technical Asst, 180 and also that of BDO. They also appreciated the visible role played by the P.H.E women and also that of Food store Incharge.

It was also observed that the providing of Spindle Irrigation to the Saffron fields under Saffron Mission is not taking off in spite of the infrastructure being put in place. Probably due to some technical issues between the Agriculture and Mechanical Irrigation Division. and the number of supply pipes were found scattered in the fields. The residents of the area were very much annoyed in the manner in which the two Departments i.e. Agriculture and Mechanical Irrigation Div (Irrigation Dept) are sleeping on this matter and the result is that the productivity of Saffron during last year was negligible (about 5% only) to the production at peak levels.
