VI Overall assessment of visit (Public Services) Please mention best practices, if any, observed

The over all condition of C.P. is poor with number of problems people facing in all the hamlets. The 40% population of the Eram Panchayat is having Minor source of income. The C.P. needs special attention of the Govt. the maximum offices are under staff due to which they can not be able to provide best service to C.P.

VII Overall assessment of visit (Panchayat Functioning)

The people of C.P. showed much interest in the programme. Appreciated the initiative of the Govt, feels very happy and hope for good results in future based on the grand report
