III	Overall perception of functioning of the government:
	<p>Honestly people were hopeful after B2V1, as they think that the hurdles they were facing before that programme but got disappointed. Now they think that even the visiting officers and the programme is futile. But still there is a hope after B2V2.</p>
IV	Overall assessment of visit and suggestions:
	<p><i>(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)</i></p>
	<p>Overall assessment is average. Higher Authorities should take their urgent requirements and complaints seriously, so as to ensure the safety of the officers in Future/next B2V1.</p>
