	The R.O.D works very effectively in spite of having no road connectivity. They introduce and implements the all developmental schemes effectively and timely.
VII	Overall assessment of visit (Panchayat Functioning):
	The development of the G.P suffers badly due the non-connectivity of the road link. The literacy rate of the G.P is low and people can't avail the benefits of new schemes & the efficiency of Govt. institution also suffer due to the non-connectivity of G.P.
