Establishment / construction of basic buildings for the two P. schools.

Establishment of pipeline (water supply) from Beasur Road to Majid Yatra to water mill

Construction of Khal from Jhelum about 100 ft.

As more complaint brought to me  
the schemes of the Social welfare deptt do  
not percolate to the needy & the official  
concerned are casual in their approach. Moreover aware  
is not being imparted by Horticulture deptt about the  
schemes implemented by modern cultural practices.

The functioning of ROP, education, PDI, Agriculture  
& CAPD is worth appreciation. The department  
of social welfare, Horticulture & PHE ~~are~~ have  
to come up to the expectations of the village.

The PRIs have been established & the Sarpanches  
are actively involved in the development of  
However being a hilly area the pace of  
slow which needs to be accelerated
