V	Any major complaint brought to notice:

	# People also complained about less frequent field visits of the field functionaries of concerned departments.
VI	Overall assessment of visit (Public Services): Please mention best practices, if any, observed.
	Trickle down effect of development works/schemes is slow and not upto the mark. It is hampered by lack of awareness among the masses regarding developmental/social welfare and other poverty alleviation schemes. People are totally unaware of RTI and other remedial processes of the official functioning.
VII	Overall assessment of visit (Panchayat Functioning):
	Panchayat system is not functioning in accordance with the statutes of the PRA; but people are very keen & enthusiastic about Panchayat system and demanded vehemently that Panchayat system be implemented in letter and spirit ASAP. People have higher hopes regarding Panchayat system.
