V Any major complaint brought to notice:

The public response was quite well. The suggestions & grievances must be addressed instantly, and such programmes must be held at regular intervals.

Overall assessment of visit (Public Services): Please mention best practices, if any, observed:

The quality of portable water is poor and unhygienic. Electric poles needed to erect at an earliest, otherwise major accident can happen

VII Overall assessment of visit (Panchayat Functioning):

The panchayat building needs immediate renovation and is inhabitable. However, the panchayat body is quite energetic and if given powers can highly contribute to overall dev. of halga.
