SECRETARY
GOVERNMENT OF JAMMU AND KASHMIR
Srinagar, Jammu and Kashmir
Date: 17.12.2019

Joint Security Commission

For the spirit of democracy lies in the active involvement of people in decision making processes in India. This was specially noted during the visit of the Joint Security Commission (JSC) to the Indian side of the Line of Control (LoC) in the month of October 2019. The JSC, the permanent institution of dialogue in Jammu and Kashmir, will have to go further by involving State, National and International stakeholders, strengthening implementation of important reforms through time and ensuring them in every possible way.

Continuing with our commitment to joint decision, the government is following up on the visit of the JSC to the Indian side of the LoC. The JSC will be the first of its kind in the world where border would visit and spend time discussing a wide range of issues directly with the people. This would be the first initiative of the JSC to ensure that.

We are hopeful that this initiative between officials and people will not only strengthen the bonds between the Government and the citizens but will also be a step towards a better future. The JSC will be able to address the issues of the people and will be able to ensure that the people's voice is heard in the decision making process.

The second session of the JSC will be held in the month of January 2020. The JSC will be the first of its kind in the world where border would visit and spend time discussing a wide range of issues directly with the people. This would be the first initiative of the JSC to ensure that.

With warm regards,

Yours faithfully,
