VI Overall assessment of visit (Public Services): Please mention best practices, if any, observed

As per my observation the G.P. has been deprived of some basic needs of livelihood especially in the fields of education, roads, health, electricity and horticulture. There is inadequate facilities of medicine, poor infrastructure of electricity, damaged/rough roads and not any kind of awareness regarding horticulture and other related schemes.

VII Overall assessment of visit (Panchayat Functioning):

The functioning of panchayat as per my assessment is satisfactory, but unfortunately funds are not released at proper time due to which developmental works cannot be taken up. As per the statement of Sarpanch there is liability in SBM, CDF which needs to be cleared at earliest.
