Government of Jammu & Kashmir

Jammu and Kashmir New Vision New Horizon

GOVERNMENT OF
JAMMU & KASHMIR

Office of the District Collector
District, Srinagar

Dear Deputy Commissioner,

The new spirit of development has set the nation on fire and people's decision making process is full of their own specific needs. During the last one year, the Government has taken various steps in this direction. After the successful conduct of elections to Panchayats and Urban Local Bodies, we have given a new impetus by devolving funds, facilities and resources to Panchayats, providing implementation of important schemes through them and empowering them to carry out their work.

2. Continuing with our endeavour to decentralize the Government is building an additional thrust to the Village programme whereby every Gram Panchayat of the state will be allocated one of the 443 Panchayats of the state whose bodies would also and spread two days a week to help and support closely with the people. This would be the first initiative of its kind in our state.

3. We are hopeful that the interaction between officers and people will not only strengthen the bonds between the Government and the citizens but also make participatory planning a reality. The wealth of first hand information which an officer will be able to collect from these interactions will help to appreciate local problems better and come up with appropriate interventions.

4. The smooth conduct of this ambitious programme hinges on the Deputy Commissioner who is the most vital link. Therefore, the success of the programme will largely hinge upon your commitment and a number of other factors.

5. I am therefore, writing to give you a number of suggestions for the programme. I urge you to discuss them with your officers and all such activities as may be necessary to ensure the smooth running of the programme while executing the programme.

6. I am sure that you will be able to bring about a change in the attitude of the officers and the people and make the programme a success in all the villages.

With warm regards,

(Signature)
(Name of the District Collector)

Mission Statement

In a first of its kind, the Government of Jammu and Kashmir has embarked on an ambitious and extensive programme of reaching out to the people at the grassroots level to create in the rural masses an earnest desire for decent standard of living.

The 'Back to Village' programme is aimed to involve the people of the state and government officials in a joint effort to deliver the mission of equitable development. The programme is aimed at energizing Panchayats and directing development efforts in rural areas through community participation.

As part of this programme, civil servants will have to reach out to each Panchayat of the State, where they will stay for a specific period to interact and obtain feedback from the grassroots so as to tailor government efforts in improving delivery of village-specific services.

The 'Back to Village' programme has been conceived with the objective of ensuring that developmental initiatives are built on the feedback and cooperation of the people, thus being more result oriented with greater probability of success than those which are top down.

The programme revolves around the concept that while the official machinery has to guide and assist, the primary responsibility to improve local conditions rests with the people themselves. Therefore, they must be encouraged to own a programme so that benefits are maximized.

The life of a person living in a rural area is not cut into segments in the way the Government activities are prone to be. The approach at the village level, therefore, has to be a coordinated, touching all aspects of village life. Such an approach has to be made, not through a multiplicity of departmental officials, but through Panchayats.

The essence of the 'Back to Village' programme is to emphasize the importance of ensuring, right from the beginning, people's participation, not merely as an agent in the execution of the development works but as owners of the entire programme.

We hope this initiative will go a long way in achieving long term objective of grassroots democracy.

B V R Subrahmanyam, IAS
Chief Secretary

General Instructions for the Visiting Officer

- i. A suggested Activity Schedule has been prepared for the visiting officer. It shall be incumbent on the officer to ensure that all activities and timings mentioned in the schedule are carried out, covering fully.
- ii. The officer shall participate in the Gram Sabha, discuss the details of Gram Panchayat Development Plan and also all the Gram Panchayat as constituted Social Audit Committee in Gram Sabha and ensure that the same is functional.
- iii. He/She shall also hold discussions with prominent citizens, traditional government functionaries, NCDUs, social organisations, self-help groups, etc. of the area and the general public.
- iv. He/She shall also visit schools, health institutions, business enterprise, village industries/enterprises situated in various sectors.
- v. The visiting officer shall visit major large-scale projects, major-scale programmes, if any, participate in exhibition, media, distribution of publications, etc.
- vi. The officer shall during all his interactions, emphasize on education, nutrition and health of children, empowerment of women, general cleanliness, solid waste management, organic farming, vermi-composting, rain water harvesting and water conservation.
- vii. The visiting officer shall assess the ground situation of allotted Panchayat vis-à-vis perception of local public, data provided by relevant Departments, inputs shared by the PBR/government citizens and his own observations.
- viii. Any conclusions drawn shall include a holistic view point of the general public. Efforts shall be made to bring out general highlights of the area based on consensus.
- ix. The visiting officer shall restrain himself/ herself from giving or offering any commitment on behalf of the government.
- x. The visiting officer shall adopt an unbiased attitude in reporting issues.
- xi. The report of the visiting officer shall be submitted both physically and electronically in the pre-circulated format. The officer shall exercise all care and objectivity while filling up the relevant form.

VI Overall assessment of visit (Public Services): Please mention best practices, if any, observed

The visit was fruitful and interaction with the people was very good, however, less services are available in the EP. The people of EP has appreciated the programme. Below is the overall assessment of visit (Panchayat Functionary):

During my visit to the EP, the members committee members remain not available on the scheduled dates. The panchayat is not functioning in the

of village
