ASSESSMENT OF THE VISITING OFFICER

visits of people in the Gap have no land as a result they are mainly manual labourers.

Some people depend on horticulture (apple orchards).

But employees more than 200.

Some people have established shops.

Some people have adopted sheep rearing as a source of livelihood.

To establish vocational training institute for unemployed educated youth storage and marketing facility for fruits & vegetables.

Setup small scale units.

To provide financial assistance to unemployed youth to establish small scale agriculture, horticulture etc.

5. Sheep rearing can be used to improve economic conditions.

1. Shortage of drinking water and electricity.

unemployment of educated youth.

3. Absence of horticulture office particularly sheep husbandry at help mission.

4. ignorance about new techniques and varieties in horticulture sector.

5. Drainage system not available as it needs the main road (stream) of blocked and it needs removing of deposited debris, grass etc so that the stream may be able to carry maximum water during rainy season so that no damage is caused to the property around it.

Urgent public requirements in order of priority (Mss. 107)

The visiting officer received a large no. of public demands/representations from Common people as well as anglo-Committee members, the detailed report of which is at the Panchayat hall. Some of the representations/demands are:-

1. Division of halqa. The population of Panchayat is 6000, while the criteria for creation of new halqa is 6000.
2. Overhead water supply for Museum as well as workshop.
3. upgradation of health centre to PHC & shifting the same to V.C.C. building, Kotla, Muzam.
4. upgradation of EMP to 115. The 115 was established before 1960. It is a 2nd class post. It may be upgraded to 1st class. It may be upgraded to 1st class. It may be upgraded to 1st class.
5. Command area. It is a 2nd class post. It may be upgraded to 1st class. It may be upgraded to 1st class.
6. Increase the no. of anglo-Committee members. (at least 10)
7. Reduce the age of a defendant from 18-20 years to 18-25 years. So that they can get the benefit of ICOS schemes.

All major complaints brought to notice.

The ICOS centre collected the documents from the people for marriage assistance but till date no assistance was provided.

The ASK collected the documents for Golden Card but the cards were not provided. The genuine applicants are not provided the Golden Card. The ASK do not get any 7-10/10 when they accompany the pregnant ladies from village to district hospital.

Common area project. Some 16 years back. But the to unknown persons. The project was not executed & is languishing. Some 10-15 years for people to execute. There is a demand for people to execute. There is a demand for people to execute.
