v	Any major complaint brought to notice
	A vast stretch of land commonly known by locals as "DANJI" at Kuchmullah is inaccessible for want of proper connectivity. There is a pressing need and demand to develop a road through this quantum of land so that same can cater the need of locals for agricultural and residential purposes.
vi	Overall assessment of visit (Public Services) Please mention best practices, if any, observed
	There seems to be good presence of Govt departments attending to the problems of the locals. However, the problems listed above need to solved on expeditious basis.
vii	Overall assessment of visit (Panchayat functioning)
	The Panchayat is still in a nascent stage as out of total 9 wards only one Panch member has been elected in recent held elections, while rest 8 wards along with a seat of Sarpanch are vacant. The PRI requires full constitution for proper constitutrition. Further, there is lack of Panchayat ghar in Panchayat Halqa and the Panchayat is functioning from a rented room which often is kept locked by landlord due to non-payment of rent.
