2	Non functional filtration plant	Functional now	Action taken & made functional.

* Please indicate whether action taken in 2019 or 2020 or during Jan Aadiyan/ Awami Muhim.

I) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Any major complaint brought to the notice of the Visiting Officer:
	1. Road from Chak Managan to Khanhach-via orchards not constructed yet. It is lifeline of village to carry agricultural products. 2. Dredging of Nallah Angli & protection wall near Ghat HSS. 3. Managan pending. 4. Inner road links of whole village not maldemised yet. 5. Road from Kucchi-Kelutra main road to filtration plant not constructed. It is prone to accidents. 6. A stream Shah Kail to Tangwasi Bala is non operational also to still erosion. It must be made operational as people are suffering a lot. 7. People have collected cow dung on road sides & no action is taken.
II	Major/ urgent public demand(s) that was/were reflected earlier but have not been addressed so far:
	1. Construction of road from Panchayat Ghat to Filtration Plant. 2. Dredging of Nallah Angli & Construction of P. Wall on its banks. 3. Fencing of Ghat HSS Managan & Road of Said School. 4. Macdemisation of all inner links of the village. 5. Deficiency of drinking water facility to Tangwasi Bala & Chak Managan. 6. Creation of Health Sub. Centre. 7. Construction of Drains. 8. Installation of (3) Transformers & 300 electric Poles. 9. Allotment of Building to P/S Managan.
III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	People were found unhappy as most of the works identified during B2V, B2V2 are either incomplete or pending. However such programmes have strengthened the Panchayats and sense of accountability has developed in the employees of various departments. I feel it is a good beginning towards development and prosperity.
