

executed

IV	Urgent public requirements in order of priority (Max. 07):
①	Drinking water filtration plant need to be constructed on urgent basis
②	HT/LT network need immediate attention by way of replacement of conductor and poles
③	Irrigation facilities need to be improved by way of construction of new canals and restoration of existing canals and providing protection works and cleaning
④	Improvement of minor links by way of mechanisation and construction of doors all along roads in Panchayat
⑤	Public Toilets need to be constructed one each at N. H. 3, Mugam and Charamsums Road as possible and
⑥	Establishment of Veterinary Centre in Panchayat
⑦	Construction of Boundary wall of HS Charam and filling of land including Development and Development of play field.
V	Any major complaint brought to notice:
	1. Shifting of Tehsil office from Khairi Puzon or Panchayat Hatga to Kapt. with Tehsil topon public is facing transport facilities 2. Cutting of old poplar trees along N.H.3. Puzon/Mugam/Hatga lead to be segregated 3. Drinking water 4. Irrigation canals not maintained 5. HT/LT on N.H. Shopping frequently 7. Sanitation poor 8. Transport poor
VI	Overall assessment of visit (Public Services): Please mention best practices, if any, observed
	Overall assessment of public services is good. but quality drinking water need immediate attention. Power supply is good and condition of roads is also good.
VII	Overall assessment of visit (Panchayat Functioning):
	It was a good experience to interact with the General Public in the village/Panchayat and to see the facilities available and listen their problem for improvement. the functioning of Panchayat needs a lot of improvement.
