V Any major complaint brought to notice:

The GP is facing a major road conn. crisis. WSS Watrigam is pending for Comm. from last few years. The GP lacks facilities like a play field, Chowkidar GRS, CSC, P/Ghar, Comm. hall. The sub centre is operating in a rented single room causing immense trouble to the beneficiaries. The GMS UNQund needs renovation & upgradation.

VI Overall assessment of visit (Public Services): Please mention best practices, if any, observed

Majority of the people of the GP seem to be ignorant about the various govt schemes. Amazingly the youth of the GP seem to be alienated & do not participate in the program even after immense requests & persuasions. PPA, PDS & Health have been rendering good services in the GP.

VII Overall assessment of visit (Panchayat Functioning):

The subject GP is a new creation & it seems that it has been neglected on major funds in the erstwhile Halqa having been land locked. It was observed that the residents of the GP have themselves created bottlenecks & hindrances to various dev. programs initiated through Panchayat.
