RAJ BHAVAN
SRINAGAR-190001

No:GS/GAO(Adm)69/2019-IV
Dated: June 13, 2019

Dear Deputy Commissioner,

The true spirit of democracy lies in the active involvement of people in decision making processes to fulfill their area specific needs. During the last one year, the Government has taken umpteen steps in this direction. After the successful conduct of elections to Panchayats and Urban Local Bodies, we have gone a step further by devolving funds, functions and functionaries to Panchayats, mandating implementation of important schemes through them and empowering them in every possible way.

2. Continuing with our endeavours in this direction, the government is initiating an ambitious Back to the Village programme whereby every gazetted officer of the state will be allocated one of the 4483 Panchayats of the state where he/she would visit and spend two days-including a night halt- and interact closely with the people. This would be the first initiative of its kind in our state.

3. We are hopeful that this interaction between officers and people will not only strengthen the bonds between the Government and the citizens but also make participatory planning a reality. The wealth of first hand information which an officer will be able to collect from these interactions will help us appreciate local problems better and come up with appropriate interventions.

4. The smooth conduct of this ambitious programme, hinges on the Deputy Commissioner who is the most vital link. Therefore, the success of the programme will squarely bank upon your commitment and coordination with various stake holders.

5. I am therefore, writing to draw your attention to ensure the success of this programme. I urge you to dedicate your time and resources and carry out all such activities as may be necessary to realize the objectives that we have envisaged while conceiving this programme.

6. I am sure that working together, through this programme, we will be able to bring about a discernible and positive change in the rural landscape of the state and leave an indelible impression on the lives of the people residing in our villages.

With warm regards,

Yours sincerely,

Balija Pal Malik
(Bal Malik)

Monkey Menace: That does not let any agriculture, horticulture producer plant survive. All efforts go waste. People are dejected!! Requires urgent & sustained Attention from wild life Dept.

VI Overall assessment of visit (Public Services): Please mention best practices, if any, observed

Average standard of public services. Best available to rich and socially powerful sections. They have easy access to the concerned authorities and get work done. Officers of almost all departments have given only lip service to those who have a vote. Majority G.P. is ignored and the needs of the poor are left out.

VII Overall assessment of visit (Panchayat Functioning):

The G.P. is dominated by socially powerful sections. All development activities are assessed and provided to serve their dominance. Women Sarpanch & panches ~~are~~ come across as proxies rather than true reps. People do not feel ^{equal} part of the Gram Panchayat. Awareness of programmes in panchayat and people is very poor.
