VI	Overall assessment of visit (Public Services): Please mention best practices, if any, observed
	The public service delivery system is below the satisfaction level. The GP have no solid waste management unit and have a very poor drainage system. Agriculture farming is more level doing farming are the main occupations of the people. Many people are working in the government and other govt. holding firms. The GP have a good number of primary schools also.
VII	Overall assessment of visit (Panchayat Functioning):
	The Panchayat functioning is satisfactory due to non-availability of funds. Panchayat used to be transferred to Panchayat to move from Panchayat. The Panchayat members have the vision and are well versed with the problems of GP and have the capacity to solve them if they have the resources.
