Governance at the Doorstep

June 20-27, 2019

Government of Jammu & Kashmir

What kind of person was Col. 1 No 000?

IV	Urgent public requirements in order of priority (Max. 07):-
	1. Construction of Road from Potlakh Potlakh pump to Baba Raza...
	2. Availability of Potable drink water
	3. Provision electric Poles & transmission lines ^{canals}
	4. De-silting of all irrigation ^{canals} beds & construction of new Bunds especially Khushi Nalla.
	5. Provision of lift irrigation system for paddy fields.
	6. Modernization of all internal links & drainage system of the village
	7. Establishment of Primary health centre, ITI, veterinary centre, water supply & electricity for roadside electricity
V	Any major complaint brought to notice: Lack of basic amenities — Potable drinking water, Electric poles, Safe toilet system & assured irrigation in the gram panchayat.
VI	Overall assessment of visit (Public Services): Please mention best practices, if any, observed The gram panchayat was very clean, DDF & sanitation were very very good. The people demanded drinking water in the Gram Sabha.
VII	Overall assessment of visit (Panchayat Functioning): The elected Panchayat is not in place in the village. However the Angul committee is doing an excellent job.
