V Any major complaint brought to notice:

many people are living in Unhuman Conditions due to No Settlement of PMYA, dilapidated Roads & over flowing drains as there is no proper disposal of Drain water. The drainage problem can be solved by Sewerage Treatment Plants, may be of small capacity of 0.5 Mld. Another major problem is for the Settlement of Pension & PMAY Pending Cases.

VI Overall assessment of visit (Public Services): Please mention best practices, if any, observed.

Since, during my visit on 20/6/09 & 21/6/09 in GP Rangpur Saday, I received most of the complaints regarding Pension Cases, non settlement of PMAY cases, damaged Ele. Poles & Cables, dilapidated Road, over flowing of drain water entering in the residential houses, in complete PWD works. These are the areas where the attention must be given on Priority.

VII Overall assessment of visit (Panchayat Functioning):

Regarding functioning of Panchayat, it is quite satisfactory as all the members including Sarpanch Capt Fatey Chand ji & N.B. Sarpanch Sh. Anand ji are very popular among the G.P. Society due to the reason that while teaming full attention to the problems of the G.P. & try to solve on spot. I felt most of the people of the G.P. are very happy with the working of Panchayat as they are doing their job with full dedication.
