I) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Any major complaint brought to the notice of the Visiting Officer:
→	- Major Complaints about the non-fulfillment / redressal of demands put forth during B2V1 & B2V2 causing trust deficit amongst the public about Govt's functionaries. - People are up in arms / aghast against PHE Deptt. as well as PDD Deptt. for their negligent approach.
II	Major/ urgent public demand(s) that was/were reflected earlier but have not been addressed so far:
→	- Provision of safe drinking water by way of completing the Kachloo-Khalipora water supply scheme. - Provision of 300 electric poles, transmission wire & 03 100 kv transformers for smooth electric supply. - Upgradation of "Health & Wellness" Centre Kachloo to the status of NTPHC for availability of doctors for better healthcare. - Health Centre for Wangam for medical facility at door steps. - Upgradation & Macadamization of inner roads of GP for convenience. - Establishment of Public Park near P/S Dar Mohalla on available land.
III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
→	- Habitation Kachloo is facing tremendous hardships for potable drinking water as no scheme is functional. - Kachloo-Khalipora water supply scheme is pending since 2017 and needs early execution of work for its completion. - Electric Poles numbering 300, transmission wire, 03 no. 100 kv transformers are need of the hour & it will repose the public trust on "Back to Village Programme". - SSA P/S Kachloo is located in a congested area & needs clubbing with P/S Dar Mohalla as there is sufficient land available.
