|     | As the PRI empowerment is in its nascent stage in JbK, which holds true for Budekhand as well, the panchayat functioning is not visible. Possible reasons are lack of funds, empowerment and vacant panch posts (8). In this regard awareness programmes need to be conducted.                                                                                                         |
