Dear Deputy Commissioner,

The true spirit of democracy lies in the active involvement of people in decision making processes to fulfill their area specific needs. During the last one year, the Government has taken umpteen steps in this direction. After the successful conduct of elections to Panchayats and Urban Local Bodies, we have gone a step further by devolving funds, functions and functionaries to Panchayats, mandating implementation of important schemes through them and empowering them in every possible way.

2. Continuing with our endeavours in this direction, the government is initiating an ambitious Back to the Village programme whereby every gazetted officer of the state will be allocated one of the 4483 Panchayats of the state where he/she would visit and spend two days-including a night halt- and interact closely with the people. This would be the first initiative of its kind in our state.

3. We are hopeful that this interaction between officers and people will not only strengthen the bonds between the Government and the citizens but also make participatory planning a reality. The wealth of first hand information which an officer will be able to collect from these interactions will help us appreciate local problems better and come up with appropriate interventions.

4. The smooth conduct of this ambitious programme, hinges on the Deputy Commissioner who is the most vital link. Therefore, the success of the programme will squarely bank upon your commitment and coordination with various stake holders.

5. I am therefore, writing to draw your attention to ensure the success of this programme. I urge you to dedicate your time and resources and carry out all such activities as may be necessary to realize the objectives that we have envisaged while conceiving this programme.

6. I am sure that working together, through this programme, we will be able to bring about a discernible and positive change in the rural landscape of the state and leave an indelible impression on the lives of the people residing in our villages.

With warm regards,

Yours sincerely,

## Mission Statement

In a first of its kind, the Government of Jammu and Kashmir has embarked on an ambitious and extensive programme of reaching out to the people at the grassroots level to create in the rural masses an earnest desire for decent standard of living.

The 'Back to Village' programme is aimed to involve the people of the state and government officials in a joint effort to deliver the mission of equitable development. The programme is aimed at energizing Panchayats and directing development efforts in rural areas through community participation.

As part of this programme, civil servants will have to reach out to each Panchayat of the State, where they will stay for a specific period to interact and obtain feedback from the grassroots so as to tailor government efforts in improving delivery of village-specific services.

The 'Back to Village' programme has been conceived with the objective of ensuring that developmental initiatives are built on the feedback and cooperation of the people, thus being more result oriented with greater probability of success than those which are top down.

The programme revolves around the concept that while the official machinery has to guide and assist, the primary responsibility to improve local conditions rests with the people themselves. Therefore, they must be encouraged to own a programme so that benefits are maximized.

The life of a person living in a rural area is not cut into segments in the way the Government activities are prone to be. The approach at the village level, therefore, has to be a coordinated, touching all aspects of village life. Such an approach has to be made, not through a multiplicity of departmental officials, but through Panchayats.

The essence of the 'Back to Village' programme is to emphasize the importance of ensuring, right from the beginning, people's participation, not merely as an agent in the execution of the development works but as owners of the entire programme.

We hope this initiative will go a long way in achieving long term objective of grassroots democracy.

**B V R Subrahmanyam, IAS**  
Chief Secretary

ii	Major potential areas which can be used to improve economic conditions in the GP (Max. 05)
1.	Agriculture/ floriculture
2.	Plantation
3.	Dairy farming/ poultry farming
4.	Mashroom /other vegetable Development
5.	Fishery development
iii.	Major problems confronting the people in the GP (Max. 05):
1.	Non-availability of food mandies and farmers have to sell their crops to few local mill owners as a result of which they could not get appropriate rates of their crops.
2.	There is no tape water supply in GP as a result of which villagers are consuming locally dug hand-pump water contaminated with urea and other pesticides which is not fit for their health.
3.	There is no provision of rainwater harvesting and furthermore villagers are exploiting soil water both for drinking and agriculture without any check as a result of which water level is decreasing very fastly which will cause water crises very soon.
4.	There is no proper water drainage system in GP as a result of which water logging problem arises during rainy season.
5.	The villagers of this GP have no permanent scope of employment as they are mainly engaged in Agriculture occupation and remain busy during crop growing season and have to go to Jammu and other parts State/ Country in search of employment <i>during</i>

*rest of the period.*

IV	Urgent public requirements in order of priority (Max. 07):
	1. Immediate provision of tap-water supply to all villages of gp and construction of panchayat gharh in the Panchayat.
	2. Establishment of a food grain mandi at central place of the block and advancing of more loan facilities to villagers in order to establish small scale agriculture related enterprises.
	3. Construction of proper water drainage system by constructing drains along the roads and local nallahs as per the requirements of gram panchayat.
	4. Replacement of existing electric wires which are very old and installation of five more transformers in gram panchayat.
	5. Construction of compound walls in <sup>GMS- GHS</sup> gms kang and ghs kaloyen.
	6. Construction of cremation yards and public bathrooms in village sande, dehar, kang and boundry wall and bathrooms in cremation yards of village mottey, kaloyen.
	7. Improvement of telephone and internet services in Gram Panchayat.
V	Any major complaint brought to notice:
	Absence of food-grain Mandi in whole area of block Suchetgarh and tap-water supply in Gram Panchayat are two major complaints noticed during the visit to Gram Panchayat.
VI	Overall assessment of visit (Public Services): Please mention best practices, if any, observed.

Public services provided by some departments are good but services of some other departments are not satisfactory.

VII	Overall assessment of visit (Panchayat Functioning):
	Members of Gram Panchayat are complaining that they are not delegated the desired powers even after the lapse of eight months of the panchayat election. Further gram Panchayat is not participating in the developmental activities of Panchayat as much as supposed to be. Moreover the Panchayat members are not aware about the schemes of state govt and central govt. Furthermore Gram Panchayat is not aware about major burning issues like water pollution, water crisis, soil pollution, deforestation, global warming etc. There is dire need to aware the Gram Panchayats about vermicomposting, bio fertilizers, plantation, water conversation and other such schemes of govt.

Signature of the visiting office.
