V	Any major complaint brought to notice:	
VI	Overall assessment of visit (Public Services): Please mention best practices, if any, observed	<p>Non release of funds under material component in works under MGNREGS, delayed release of funds have hampered the developmental works. Non implementation of schemes like Aashwasan Bahadur, Ujjala, 15AUPHAGA, PM Kisan Saman Nidhi Yojana. Group of habitants in W-5 are denied voters for assembly and party passes PRC.</p>
VII	Overall assessment of visit (Panchayat Functioning): Attached the public services	<p>A PHE dept. has outreached to the public but have max unauthorized connections which needs to be regularized. Room in the partition with P.D. Regarding sanitation lack of drainage is contributing a lot. GP is not BOP especially W-5. Requires focused attention for improvement in public services &amp; making the general public aware for utilization of services. Ujjala scheme too hard to follow.</p>
		<p>There are many works executed by previous PRI of area. Present PRI which has been recently elected has dynamic members from whom good results are expected.</p>
