30

⇒ People often visit - to different departments for the redressal of their grievances but no body listens to them.

⇒ Those who donated land for construction of roads under PMGSY were not compensated.

VI	Overall assessment of visit (Public Services): Please mention best practices, if any, observed
	Though there is no road connectivity, the entire area was visited to have the first hand information about the grievances faced by the people. The GP needs to be uplifted and economic condition of the people needs to be promoted.
VII	Overall assessment of visit (Panchayat Functioning):
	The visit has been a great initiative as it provided the platform for poor rural people to express their grievances in free & fearless atmosphere. Though panchayat is functioning, it needs to be more empowered so that basic facilities would be provided to poor deserving people.
