Den Deputy Communication,

The true spirit of demonstry has in the active involvement of people in decision making processes to fulfill their uses specific needs. During the last true messential conduct of elections to Parel syste and Urban Level Broken, we have gone a step further by devolving funds, functions and functional and functionality in processing funds, functions and functionaries to empowering them in every promitte way.

- 2. Continuing with our and around in this direction, the programmed in this direction, the programmed in this direction, the programmed in this direction is an ambition Back to the Village programme whereby every gazetted officer of the state with he allocated one of the 4483 Panchayate of the state where he/she would visit and spend two days including a right bulb and interact closely with the people. This would be the first initiative of its kind in our state.
- 3. We are hopeful that this interaction between officers and people will mis only strengthen the Sourie between the Government and the critices but also make participatory planning a reality. The wealth of first hand information which as officer will be able to collect from these interactions will help us appreciate local problems nester and some up with appropriate interventions.
- 4. The smooth conduct of this authorises programme, hinges on the Deputy Commissioner who is the most vital link. Therefore, the means of the programme will segmenty bank upon your commitment and coordination with reviews make holders.
- 5. I am specifiers, writing to draw your attention to ensure the museus of this programme. I arge you to dedicate your time and resources and carry out all such activities as may be precessery to realize the objectives that we have envisaged while somewholes this programme.
- 6. If any state that working together, through this programms, we will be able to being about a discounties and positive change in the rural landscape of the state and leaves as indelible improvement on the lives of the people residing in our Villages.

Wide south togards,

Yours simorely,
