The benefit under different State/Central sponsored schemes is still given on per 30th Census, people suggested that there is need to review the SLBP survey and include the left over deserving families.

VI Overall assessment of visit (Public Services): Please mention best practices, if any, observed

The people of the Panchayat are still facing lot of hardships because of lack of basic amenities like road connectivity, health care, drinking water facility and Banking services etc. Besides there is need for front line health functioning to continuously stay in touch with the people and aware them about different State/Central sponsored schemes meant for uplifting their social and economic status.

VII Overall assessment of visit (Panchayat Functioning):

All the elected Panchayat members are working in a coordinated manner. They are holding Gram Sabha at regular intervals and are trying their level best to take up/raise the public issues/problems into the notice of concerned Govt. Deptts.
