VI	Overall assessment of visit (Public Services): Please mention best practices, if any, observed
	The practice of providing old age and other pensions under social security is well appreciated. The PMAY is also improving the lot of the rural poor. Mid Day meal scheme, Anganwadi centres, Asha workers have become part of the rural social fabric. This way, it helps in bettering the poor as well as is an incentive for
VII	Overall assessment of visit (Panchayat Functioning): better education.
	Regarding functioning of this particular Panchayat, everything is a-miss. During the 'Back to village' programme, the Sarpanch & her Panch-husband attended only a few programmes only. Despite so many requests & persuasions, the couple didn't turn up for meeting held for constitution of Social Audit Committee. They are at logger heads with each other in Panch which is very adversely affecting the functioning of the Panchayat. This Gram Panchayat is not a co-hesive unit.
