NOTES

During my visit with various Categories of People, it has been noticed that no any financial assistance has been provided to the needy BPL families. The Panchayat had a Gramdhamaksh is one of the BPL on its educational level. Development in Education and Agriculture is the only source for the development of said Panchayat. Basic Infra-structure is very weak which needs to be strengthened through the medium of financial support and to provide better Education to the students above the higher Secondary level through various Govt. Schemes. People needs kind attention from Govt side for their implementation in various Sectors.

Hence submitted for kind consideration
