GENERAL ASSESSMENT OF THE VISITING OFFICER:

Major economic activities/ source of livelihood in the GP (Max. 05)

1. Farming is major source of livelihood
2. MGNREGA should be continued / High potential.
3. Horticulture / Sericulture & tourism needs upliftment

Major potential areas which can be used to improve economic conditions in the GP (Max. 05)

1. MGNREGA (More funds required in FC-14)

2. Tourism potential to be explored, loans should be promoted for SMSE.
3. Horticulture produce should be more institutionalized
4. Civilizers & other benefits explored.
5. AHS Sheep model as horticulture & agricultural office should be estb. at GP itself.
6. Weaving handlooms, interested, fast pace & decent public recreation etc. estb. and organized in GP.

Major problems confronting the people in the GP (Max. 05)

1. Lack of protection walls, retaining walls, nullahs and other key locations as the region is vulnerable for erosion and floods.
2. Irrigation & flood control, social welfare dept. almost zero at GP.
3. Road from Benner to ventkare & Kambel very bumpy highly & accident prone. in GP.
4. GMS & BPS fencing problems, essentially ^{to be} resolved
5. including issues of land encroachment to both Schemes
6. More ~~streets~~ ^{streets} required in GP

- IV. Identify public requirements in order of priority (Max. 10)
1. Transport & Road connectivity as roads are black topped but bumpy and accident prone.
 2. Drinking water, construction of Bore & maintenance of water supply.
 3. CAPD slight non-existent. Stores far from locality. CAPD stores urgent need.
 4. Health centre is a former need as the sub-centre is deficient of staff & facilities problems esp. for pregnant women.
 5. Sports facilities almost null. Lack of sports field & recreation facility is urgently needed.
 6. Financial inclusion required. Loan weaving and other schemes needed.
 7. Govt. offices, govt. labs, schools are urgently needed.

V. Any major complaint brought to notice

The existing road is highly accident prone. Lack of transport, bumpy for flood control. Less schools are major problems. Drinking water facility to schools.

I. Overall assessment of visit (Public Services). Please mention best practices, if any, observed.

GP is vibrant and collaborative. Rural awareness satisfactory. Public participation is high but the above lack of facilities are constraints. *HT*

Overall assessment of visit (Panchayat Functioning)

The GP-HQ is functional, employees dedicated. Panchayat house is not available. Instructions of PH is prime requirement. The very lives needs to improve employees & families.
