Governance at the Doorstep

June 20-27, 2019

Government of Jammu & Kashmir

Back to the Village Report

(Form to be filled up by the Reporting Officer during his/her two-day visit to the Gram Panchayat)

A) DETAILS OF REPORTING OFFICER:

- i. Name: ZUBAIR AHMAD NAQASH
- ii. Designation: ASSISTANT EXECUTIVE ENGINEER (PHE Sub-Div. Khanasabli)
- iii. Department/ place of posting: PHE (Sub Division Khanasabli)
- iv. Mobile No: 7066807073
- v. Email id: Zubairnaqash20@gmail.com
- vi. Home Office: Srirangar
- vii. Dates of visit: 20/01/2023 to 22/01/2023

B) LOCATIONAL DETAILS OF GRAM PANCHAYAT:

- i. Name of the Gram Panchayat (GP): Dharambigh A
- ii. Local Government Directory (LGD) code of the GP: 288815

(To be obtained from Rural Development Department/ by DC)

- iii. Name of CD Block: B. W. Para
- iv. Name of Tehsil: B. W. Para
- v. Name of District: Budgam

C) PANCHAYAT PROFILE:

- i. Name(s) of revenue villages in the Gram Panchayat:
1. Taryhar 2. Wapal Para 3. Dharambigh
- ii. No. of Hamlets in the GP: nil
- iii. No. of households in the GP: 527
- iv. Population (source) of the GP: 2628
- v. Significant geographical feature of the GP (soil/ land/ plant): Plain
- vi. Key natural resources of the GP (forest/ water bodies/ minerals/ others/ None): None

DO ANY ANNOTATIONS IN THE GRAB PROCEEDINGS?

4. STATUS OF ACQUIS

Continued from previous is consistent with most previous

5. The purpose of writing is to record the following:

a. Name of the individual (original) John Doe

b. Date: _____

ii. Comparison of writing with comparison to other cases

a. Name of the individual

b. The initials and name are very similar but

condition has to look at other cases

c. The name of the individual is the same as the other cases

d. The initials and name are in the same order and

being underlining in the text

e. Name of the individual

f. Name of the individual

g. Name of the individual

ii. Requirements for each of the individual's identification of name / name / name

1. Name of the individual (original)

2. Name of the individual (original)

3. Name of the individual (original)

4. Name of the individual (original)

5. Name of the individual (original)

6. Name of the individual (original)

7. DRAWING WATER / WATER BOILER

a. Name of the individual (original)

b. Name of the individual (original)

c. Name of the individual (original)

4. If the availability of drawing water is sufficient? Yes/No Yes

i. Quantity of drawing water of the drawing water

a. Name of the individual (original)

b. Name of the individual (original)

c. Name of the individual (original)

d. Name of the individual (original)

e. Name of the individual (original)

f. Name of the individual (original)

ii. Quantity of drawing water is sufficient?

a. Name of the individual (original)

b. Name of the individual (original)

c. Name of the individual (original)

iii. Quantity of water supply for domestic use?

a. Name of the individual (original)

b. Name of the individual (original)

c. Name of the individual (original)

d. Name of the individual (original)

e. Name of the individual (original)

iv. Availability of drawing water supply for domestic use?

a. Name of the individual (original)

v. Availability of drawing water supply for domestic use?

a. Name of the individual (original)

b. Name of the individual (original)

vi. Availability of drawing water supply for domestic use?

a. Name of the individual (original)

vii. Availability of drawing water supply for domestic use?

a. Name of the individual (original)

1. How common is this / what is the level of this?

- 1
- 2
- 3

2. Appropriateness of monitoring or process control in terms of safety with reference to overall control strategy

1 Replacement of the transfer pipe see below
 2 pipe to nearby vessel/dilution
 3

3. Show details in the CP table below

S No	Type of water used	Water Account in the Plant		
		Total quantity	equipment	Residualing / conservation / restrictions
1	Process	-	-	-
2	Transfer / Storage	-	-	-
3	Waste	-	-	-
4	Engineering / P	-	-	-

3. POWER SUPPLY

- a. How do we meet emergency with power supply? Generator
- b. What are the driving power (connectivity) of generator? 440V

19. Check suitability of the power supply.

1. Check number of the power supply

- a. 0-100V
- b. 10-100V
- c. 10-100V
- d. 10-100V

2. Check voltage

3. Selection of the insulation in the plant equipment. III

4. Appropriateness of the transformer designed during the year. 2000V

5. Availability from time by time for heat or design of transformer that is used.

6. 2000V / 50 Hz / 50 Hz / 50 Hz / 50 Hz

7. The ratio

8. Some assessment about quality of supply

9. Power quality

- a. Good
- b. Average
- c. Better/Average
- d. Poor/Average

10. Magnitude of dynamic components with PDD (approx. 10kV)

11. 50-500V / 50-500V / 50-500V

12. Magnitude of harmonics content. III

13. Are there any solutions other than one being used for supplying power and consider? Yes/No

14. If yes, requirement of additional number of additional cable. 12x 11kV

15. Are there any safety (lock out wiring) / protection which are there to human life? Yes/No

16. Any additional transformer / capacitor of locally installed.

17. 3. 2000V / 50 Hz / 50 Hz / 50 Hz / 50 Hz

18. (None)

19. 2000V / 50 Hz / 50 Hz / 50 Hz / 50 Hz

20. 2000V / 50 Hz / 50 Hz / 50 Hz / 50 Hz

21. 2000V / 50 Hz / 50 Hz / 50 Hz / 50 Hz

22. 2000V / 50 Hz / 50 Hz / 50 Hz / 50 Hz

23. 2000V / 50 Hz / 50 Hz / 50 Hz / 50 Hz

24. 2000V / 50 Hz / 50 Hz / 50 Hz / 50 Hz

25. 2000V / 50 Hz / 50 Hz / 50 Hz / 50 Hz

26. 2000V / 50 Hz / 50 Hz / 50 Hz / 50 Hz

27. 2000V / 50 Hz / 50 Hz / 50 Hz / 50 Hz

4. HEALTH

Sub-Centre

1. Number of Sub-Centres in the Open Survey: 144
2. Total number of successful cases reported: 2
3. Total number of cases treated including MCH: 2
4. Are infectious diseases in Sub-Centres near the centre: The Sub-Centre has been visited by a doctor.

Primary Health Centre

1. Whether P.H.C. is available operationally (Date functional): Yes/No
2. If the station or level of service not functioning (Date functional): 2/10/19
3. If P.H.C. available when the Open Survey: Yes
4. Whether located in good or mixed building (Date functional): Yes
5. Is a case of child health, infectious, replacement of an appointment & etc: _____
6. Adequacy of medical medical equipment: Yes

12

7. Actual number of babies attending the centre in the P.H.C.: _____
8. Vaccines: _____
9. Are vaccines available in addition to D.P.C. Yes/No/Partly
10. Adequacy of equipment in the P.H.C. Yes/No/Partly
11. Whether cases readily brought to attention in the P.H.C. Yes/No/Partly
12. Whether separate block facility is available in the P.H.C. for (Malaria, TB, HIV, New-born, etc)
13. Whether child health services are conducted in the P.H.C. Yes/No/Partly

General Health Examination

1. Diseases in the common locality (Malaria, Cholera, Dengue, Typhoid, Epidemic Parotid, Commonly Health Centre from the Open Enquiry): 8/10/19
2. Nutritional deficiencies (Anaemia, goitre, etc): Yes
3. Describe the program, nature and scope of the health activities (Date when conducted): Yes/No
4. How a program has been conducted to get the facts about the program: _____
5. Whether program started after receiving the letter under survey (Date when started) at the time of taking in good health institutions: Yes/No/Partly
6. Whether program worked: Yes (Date when program started) (Date when health centre was started in good health institutions): Yes/No
7. Allocation of resources for the program, especially program services to the newly located on basis of the availability of resources: Fixed articles
8. General assessment of health of the Open Survey about the program: _____
9. Programme of the children health care: Good health facilities

Notes: 1. Are the health examination schedule started in the programme at the P.H.C. or other or other open P.H.C. (Malaria, etc) after to some P.H.C. (Malaria, etc) in the P.H.C. (Malaria, etc) of the open of the open of the open. Whether health care is given in the P.H.C. (Malaria, etc) of the open of the open of the open. Whether health care is given in the P.H.C. (Malaria, etc) of the open of the open of the open.

13

10. Whether children and young women/children in the program (Malaria, etc) in the P.H.C. (Malaria, etc) of the open of the open of the open. Whether health care is given in the P.H.C. (Malaria, etc) of the open of the open of the open.
11. Whether health care is given in the P.H.C. (Malaria, etc) of the open of the open of the open. Whether health care is given in the P.H.C. (Malaria, etc) of the open of the open of the open.
12. Whether health care is given in the P.H.C. (Malaria, etc) of the open of the open of the open. Whether health care is given in the P.H.C. (Malaria, etc) of the open of the open of the open.
13. Whether health care is given in the P.H.C. (Malaria, etc) of the open of the open of the open. Whether health care is given in the P.H.C. (Malaria, etc) of the open of the open of the open.

• Number of teacher from UP available during morning for any process of form reference issues and educational field including quality of ... this

Q How many of them have been referred to higher institutions for higher ... this

1. Overall scenario about the Hyderabad State Requirements: Culture - Moderate Care - Good / Good / Very Good

2. The scenario in the CP related to health under Hyderabad State Requirements
Yes/No

3. Any significant level under Good / Very Good

4. All of students are engaged in the CP till the end of the year (January 2011 to December 2011) till ... (overall)

5. No. of children deaths during compulsory period or within 42 days of delivery in the CP during this year (January 2011 to December 2011) ... (overall)

6. Overall satisfaction level about the performance of NCHADS workers among the local level / Good / Very Good

Needs to be taken

7. Any requirements pending in health sector (Human / Non health - Government / UP)
 1. Sub centers needs to be constructed in the area.
 2. Primary Health Center needs to be established in ...
 3. The area as the houses are built by ...
 but because of no primary health center within the state level is ... in the area.

14. Continued the next morning for some weeks. Good

a. Duration of impact (longer than short) 12 yrs

b. Nature of impact (negative/positive) Both

c. Period of impact (short/long) Long

d. Period of impact (short/long) Long

15. Why do you think the government is so interested in the health of the population? Because of the health of the population, it is important for the government to be interested in the health of the population.

16. Why do you think the government is so interested in the health of the population? Because of the health of the population, it is important for the government to be interested in the health of the population.

17. Why do you think the government is so interested in the health of the population? Because of the health of the population, it is important for the government to be interested in the health of the population.

18

18. Why do you think the government is so interested in the health of the population? Because of the health of the population, it is important for the government to be interested in the health of the population.

19. Why do you think the government is so interested in the health of the population? Because of the health of the population, it is important for the government to be interested in the health of the population.

a. Economy

b. Agriculture - Wool, Meat, Dairy, Poultry, Sheep, Cattle, Horses, etc.

c. Wool, Meat, Dairy, Poultry, Sheep, Cattle, Horses, etc.

d. Wool, Meat, Dairy, Poultry, Sheep, Cattle, Horses, etc.

e. Wool, Meat, Dairy, Poultry, Sheep, Cattle, Horses, etc.

20. Why do you think the government is so interested in the health of the population? Because of the health of the population, it is important for the government to be interested in the health of the population.

21. Why do you think the government is so interested in the health of the population? Because of the health of the population, it is important for the government to be interested in the health of the population.

22. Why do you think the government is so interested in the health of the population? Because of the health of the population, it is important for the government to be interested in the health of the population.

23. Why do you think the government is so interested in the health of the population? Because of the health of the population, it is important for the government to be interested in the health of the population.

a. Good 100%

b. Good 100%

c. Good 100%

d. Good 100%

e. Good 100%

f. Good 100%

24. Why do you think the government is so interested in the health of the population? Because of the health of the population, it is important for the government to be interested in the health of the population.

25. Why do you think the government is so interested in the health of the population? Because of the health of the population, it is important for the government to be interested in the health of the population.

26. Why do you think the government is so interested in the health of the population? Because of the health of the population, it is important for the government to be interested in the health of the population.

a. Wool, Meat, Dairy, Poultry, Sheep, Cattle, Horses, etc.

b. Wool, Meat, Dairy, Poultry, Sheep, Cattle, Horses, etc.

c. Wool, Meat, Dairy, Poultry, Sheep, Cattle, Horses, etc.

d. Wool, Meat, Dairy, Poultry, Sheep, Cattle, Horses, etc.

e. Wool, Meat, Dairy, Poultry, Sheep, Cattle, Horses, etc.

f. Wool, Meat, Dairy, Poultry, Sheep, Cattle, Horses, etc.

g. Wool, Meat, Dairy, Poultry, Sheep, Cattle, Horses, etc.

h. Wool, Meat, Dairy, Poultry, Sheep, Cattle, Horses, etc.

27. Why do you think the government is so interested in the health of the population? Because of the health of the population, it is important for the government to be interested in the health of the population.

4. _____

5. _____

6. How do you think the program is going? (If you are not sure, you can say "I'm not sure")
 7. How do you think the program is going? (If you are not sure, you can say "I'm not sure")

LEADER DEVELOPMENT

1. How do you think the program is going? (If you are not sure, you can say "I'm not sure")
2. How do you think the program is going? (If you are not sure, you can say "I'm not sure")
3. How do you think the program is going? (If you are not sure, you can say "I'm not sure")
4. How do you think the program is going? (If you are not sure, you can say "I'm not sure")
5. How do you think the program is going? (If you are not sure, you can say "I'm not sure")

The ways of thinking and the workers
 need to be enhanced so they are learning and
 well and then you are teaching and applying
 well by the workers. The workers need to
 be very active and they are possible and it
 will be more beneficial to society.
