KUNAWAR 100001

NO. 15/2016/ALM/27/2019-20
Dated June 13, 2019

Hon. Deputy Commissioner,

The true spirit of democracy lies in the active involvement of people in decision making processes to fulfil their own specific needs. During the last one year, the Government has taken emphasis upon in this direction. After the successful conduct of elections in Panchayats and Urban Local Bodies, we have gone a step further by developing funds, functions and facilities to Panchayats, mandating implementation of important schemes through them and empowering them in every possible way.

2. Continuing with our endeavours in this direction, the government is initiating an initiative back to the Village programme whereby every panchayat officer of the state will be allocated one or two Panchayats of the state where he/she would visit and spend two days including a night both and interact closely with the people. This would be the first initiative of its kind in our state.

3. We are hopeful that this interaction between officers and people will not only strengthen the bonds between the Government and the citizens but also make participatory planning a reality. The wealth of first hand information which an officer will be able to collect from these interactions will help us appreciate local problems better and come up with appropriate interventions.

4. The success or failure of this ambitious programme hinges on the Deputy Commissioner who is the most vital link. Therefore, the success of the programme will largely bank upon your commitment and coordination with various stake holders.

5. I am therefore writing to draw your attention to ensure the success of this programme. I urge you to dedicate your time and resources and carry out all such activities as may be necessary to realize the objectives that we have envisaged while conceiving this programme.

6. I am sure that working together, through this programme, we will be able to bring about a discernible and positive change in the rural landscape of the state and leave an indelible impression on the lives of the people residing in our villages.

With warm regards,

Yours sincerely,

Satya Pal Malhotra
