7) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Any major complaint brought to the notice of the Visiting Officer
	The demands like completion of Longstanding projects of Hospital Building / Pashwari - Leman bridge are still in same condition as that in B2V1 & B2V2. No water supply schemes provided in GP and people are still suffering due to shortage of drinking water. There are still many wooden poles used for electricity transmission and need to be replaced by new poles/wires.
II	Major urgent public demands that was/were reflected earlier but have not been addressed so far
	Demand for water supply scheme. Completion of Longstanding projects of Hospital Building and Pashwari - Leman Bridge.
III	Overall assessment of visit and suggestions (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	The demands of water supply schemes / completion of Longstanding projects made back in B2V1 & B2V2 require to be taken up on urgent basis to make people not to suffer any more.
