I) GENERAL ASSESSMENT OF THE VISITING OFFICER:

- I Any major complaint brought to the notice of the Visiting Officer:
01. The proposals made in Br V1 and Br V2 were not approved till date.
 02. The land which is under the control of 17 INF Army Unit is not properly and fully paid rent.
 03. The various schools in the GP present a desultory and dilapidated look due to lack of investment which is posing great threat to the children of the GP as the building are unsafe.

- II Major/ urgent public demand(s) that was/were reflected earlier but have not been addressed so far:
01. Sanction of building for the various schools of the GP at an earliest to serve our children.
 02. Sanction of PHC for Lawoosa and First aid center for Cheek-i-yalam for a GP.
 03. Sanction of electric poles, wires & transformers & shifting of AT-Cell from residential areas in the GP.
 04. Construction of Motorable bridge for Lawoosa and Cheek-i-yalam in GP.

- III Overall assessment of visit and suggestions:
(The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

The visit was a better but a good experience for the VSO because after making detailed discussion with people of all spheres during the programme, I came to know that these people although living in Jammu & Kashmir are of the district, but are well aware about their rights, as they have unanimously raised fingers on the credibility of the Govt. machinery because none of the proposals made in Br V1 & Br V2 programme has been approved till date. In this context, the one and the only suggestion from my side is that the proposals made in Br V1 and Br V2 programme must be approved and implemented at an earliest so that the faith of the people on Govt. machinery may be restored.
