VI	Overall assessment of visit (Public Services): Please mention best practices, if any, observed
	Public Services are being disseminated to the public within the available resources, which needs improvement to meet the satisfaction level of general public. AWCs were quite impressive in delivering the service at lower levels to children of the locality.
VII	Overall assessment of visit (Panchayat Functioning):
	Panchayat is not fully formed in the G.P., but R.O.D is playing an important and vital role to reach to the grass root level of G.P and work in the direction to make people fully aware of the Panchayats in a region.
