Governance at the Doorstep

November 25-30, 2019

Government of Jammu & Kashmir

**Chief Secretary
Jammu and Kashmir**

**B. V. R. Subrahmanyam
IAS**

Message

One of the key elements of good governance is the empowerment of democratic institutions so that people become real partners in decision making. After the successful conduct of Panchayat Elections in 2018, it was essential to reach out to the people for getting their valuable feedback for making the functioning of the democratic institutions as vibrant and meaningful institutions of governance.

With a view to reaching out to every nook and corner of Jammu & Kashmir, the Government conceived 'Back to Village (B2V) programme,' the first of its kind in Jammu & Kashmir. The programme which was organized from June 20-27, 2019, across all 4483 Panchayats focussed on energizing Panchayats, collecting feedback on delivery of government schemes/programmes, capturing specific economic potential and undertaking assessment of needs of the villages. People came out in droves to welcome the visiting officers and appreciated the initiative of the government. The initiative was widely acknowledged with Prime Minister Mr. Narendra Modi mentioning it in 'Mann ki Baat' on 28th July, 2019. The interface was visible and response so overwhelming and enthusiastic that some officers stayed in their Panchayats beyond the schedule.

Government has already released funds for the Panchayats to address the priority works identified during the first phase of B2V programme.

As B2V envisages equitable development of Panchayats with a sound financial base, it is expedient that the initiative is carried forward to assess the level of empowerment and institutionalization of the Panchayati Raj Institutions (PRIs) at the grassroot level viz-a-viz the impact of various flagship programmes and welfare schemes on the rural populace. The feedback so obtained will help the government to tailor the various central and other government schemes/programmes in improving delivery of village-specific services and making the village life better in terms of improved amenities and facilities. I am confident that B2V programme will evolve into an institutionalized, doorstep governance programme, which will help to deliver speedy and faster services and development.

I fervently appeal to Panchayat representatives as well as people to come forward to project their views before the visiting officers for strengthening the PRIs.

I would urge the Deputy Commissioners to coordinate the visit of officers to various Panchayat Halqas for better outcomes.

I am confident that our officers who will be a part of the B2V programme will work indefatigably to make the initiative a grand success.

(B. V. R. Subrahmanyam)

III Overall perception of functioning of the government:

There is no road connectivity in the Panchayat. No veterinary, sheep husbandary centres, no water supply schemes, no community hall no middle school, no police post in the area. Substantial work has been done under PDD. Pyl. Ghar is under construction since long.

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

Since there is no road connectivity in the Panchayat. The people of the area face a number of difficulties, there is no veterinary, sheep extension centre, no community hall, no middle school, no fair price shop, no Primary health Centre in the area. Some bridges and houses under PMAY scheme have been completed and some houses are under construction. Agricultural sector may be developed if high yielding varieties of seeds, enough quantity of fertilizers, enough agricultural loans be provided to the poor people of the area. There is very high potential in the agricultural sector in the Panchayat. Small scale industries like cutting tailoring Centres, Carpentry, wood carrying, handicrafts may be developed.
