III Overall perception of functioning of the government:

- Good response towards new initiatives of govt like BGV & MJS schemes.
- Functioning of govt. is in right direction but needs more vigorous initiatives so as to reach ground level & ensure good governance

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

Overall visit was satisfactory. Cooperation provided by various line departments was appreciable. Scope of improvement is there as more technical staff from various line dept. should be employed for this prog. Separate budget allocation for BGV should be kept for Panchayats so that better arrangements in terms of advertisement & logistic support can be provided.
