	6. Renovation/upgradation of drainage System
	7. Supply of electric poles/wires
II	Any major complaint brought to notice of the Visiting Officer:
	1. Shortage of drinking water
	2. Shortage of electricity/electric poles/wire
	3. poor drainage system
	4. Shortage of Health facilities viz. PHC CHC

III	Overall perception of functioning of the government:
	People have average perception regarding functioning of the government. people need more awareness. Need of the hour is that there must be more interaction b/w people & govt. representatives.
IV	Overall assessment of visit and suggestions:
	(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	The visit of the U/sd. was quite satisfactory. The suggestion of the U/sd is that the demands of the people/area, need to be fulfilled phase wise, as per the expectations of the people.
