

III Overall perception of functioning of the government:

People in general seem to be satisfied with the functioning of Government.

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

The response of Govt. regarding the supply of tap water & electricity has been poor, which needs improvement. The condition of various link roads is worse and hence should be constructed immediately. The condition of electricity wires and poles is very poor.
