III Overall perception of functioning of the government:

Road

IV Overall assessment of visit and suggestions:

Road connectivity.

Repair and renovation of the schools is need of the hour.

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

Whole of the Panchayat needs road connectivity which will usher the development of the area because the public faces hardships in reaching to the village and the pregnant ladies die on way to Ramban Hospital. Solar lights for all households
