III Overall perception of functioning of the government:

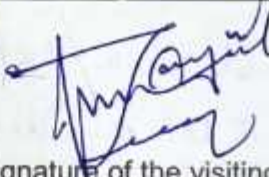

The line departments should as far as possible work in synergy with each other. At least Sub divisional rank officers of all line departments should meet once in a month and discuss and share their proposals so that all bottlenecks in various projects or schemes can be eliminated in the meeting itself rather than writing letters & waiting for responses.

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

My overall assessment is that the line departments are not fully aware about Panchayati Raj system as before the recent elections the PR act was not fully implemented on ground. The initiative of B2V has atleast put all departments in transition phase towards working in synergy & coordination with each other & more importantly with people. I am hopeful that all departments realize the importance of bringing democracy to grass root level.

One suggestion I want to give that RDD should intimate all the offices and hold Gram Sabhas regularly now till the time it becomes an established practice in every Panchayat.
