III Overall perception of functioning of the government:

- The ^{people} perception about Govt. has totally changed since B2V1. The things have started moving.
- may it be developmental or social security programmes. The synergy between Govt. functionaries and people should continue at same enthusiasm as during B2V1 & B2V2. The district administration should continue to oversee the things with same vigour, so that rural masses get empowered & all round development takes place.

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

- These back village programmes may it B2V1 or B2V2 have been effective in the sense that Govt. functionaries have reached at the doorsteps of people with their developmental programmes. The people have largely participated in these programmes.
- At the end the local self Govt. (panchayats) have started working effectively. May it be in respect of work programmes like MGNREGS or 14th F.C grants. Besides panchayats have started their involvement in Nutrition to AWCs, Homeline to AWCs & Mid-day meals programme. The convergence of works under other programmes is also taking place. The social security programmes and financial inclusion has started reaching to the people in rural areas very effectively since B2V1. It is suggested that such programmes shall continue in future as well.
