Message

I am delighted to learn that the 3rd edition of the much-celebrated Back to Village-2 (B2V2) programme, a unique and ambitious exercise of taking government to the doorstep of people is being organised from 2nd to 12th October 2022, across Jammu & Kashmir.

In June 2019, the Government of Jammu and Kashmir embarked on the Back to Village programme, which involved the visit of over 4000 Gazetted officers of J&K to every Panchayat and spending two days and a night there. There was an impetus to support and strengthen the newly constituted Panchayats. The programme was a huge success. Visiting Officers were welcomed and led by popular leaders to share its troubles and triumphs with what they had perceived as an unresponsive administration. Indeed such was the enthusiasm generated by the programme that the Hon'ble Prime Minister made a mention of it in his "Man Ki Baat", calling it a festival of development, public participation and public awareness.

Encouraged by the success of the programme, the government organized the Back to Village-2 (B2V2) in November 2019. This time the focus was on ensuring that funds and fundamaterials sent to the Panchayats were used without any hitches and that beneficiary oriented schemes actually reach the last person in the queue. The Hon'ble Prime Minister again made mention of the programme in his Independence Day speech of 2020.

The new the upcoming version of the Back to Village-3 (B2V3) programme will be an attempt at a concentrated and determined developmental push in the region. The new programme shall be preceded by a three week Jee Aabhyas (Jeeun Mahatma) which shall focus on 3 concurrent and interconnected goals: Jan Surveksh (Public Survey) - Public grievance redressal, Adhikar Aabhyas (Muhim Baatkar) - Public Service Delivery and Umang Gauri Abhyas (Jee Aabhyas Mahatma) - Delivery of Development Programmes.

I am confident that this unique vision and team the respect of the people of Jammu and Kashmir and that it will be remembered for long as a unique and sincere effort of the government to reach the doorstep of the people.

Message

Jammu and Kashmir continues to witness a transformation of Pandharpur RTI institutions with almost 1000 centres in 2019. Through the first two kind of RTIs in Village and the Government's decision of adopting India, functions and Architecture, in RTIs, the state government has launched in the Union Territory. As a next step in this direction, the launch of the Black Gold RTI programme is going to start from 2nd October to 12th October, 2020, which will be a major point in the institutionalisation of RTIs.

With the first RTI focused on information and information on local needs, the second RTI focuses on strengthening and further strengthening Pandharpur, strengthening the state's RTI and building an institutional and RTI coverage of a wider, beneficiary oriented scheme.

Now, building on the foundation of RTI and RTI, the RTI has been planned to be an Active online with its focus on implementation and execution. The initiative aims to address grievances and needs of citizens across the ground, thus making it more user friendly and citizen oriented.

Further, local demands are being taken up through a large scale program of community coordination. Ahiyan, Gauri, Varni, with its three components and components, goals of public grievance redressal, public service delivery and quality of development process. RTI is also an online or govt. government, functioning and service delivery through an independent, private Government RTI interface.

Empowerment of Pandharpur represents the mission of the state government to provide and to provide a platform in the program, thereby making governance more participatory, transparent and accountable.

I also urge the Juvenile Commissioners to continue the skills of citizens to witness Pandharpur. I believe for better governance and online delivery of COVID-19 RTI while ensuring to ensure that each and every

I am confident that the people and officials of all will come together to the creation and implementation of the success of the RTI programme.
