	There is more need of upgradation of transformer for lone muballa, new water supply scheme for parpora and desilting of irrigation canals especially from Odla Masjid Sharif to HB parpora.

III Overall perception of functioning of the government:

All the govt. departments are functioning in a people friendly way but the shortage of staff (field functionaries) mars their efficiency at times.

IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

There is unavailability of infrastructure with respect to govt. departments as most of the departments are working in rented buildings. There is scarcity of clean drinking water and there is no solid waste management in the GP.
