Government of Jammu & Kashmir

III Overall perception of functioning of the government

General perception of the people is that the Govt departments / functionaries are performing to the best but the implementation of their demands on ground is the least.

IV Overall assessment of visit and suggestions.

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

The GP is lacking in various sectors / fields such as in horticulture, irrigation, power, roads, employment etc. Govt must ensure that the basic facilities are provided to the people in different mentioned sectors. A special employment drive is also needed in the GP for the educated un-employed youth.
