II	Any major complaint brought to notice of the Visiting Officer:
	① Poor performance and response of Agriculture, Soil Conservation and Flood Control, Revenue (Patwari) dept in G.P. ② village Seroh, Mohalla, Kashi, Gowan, SC Basti, ST Basti and other areas is totally neglected areas (Wards) in term of lime roads, Drinking water (insufficient), Health and other facility / facilities (3) Local educated youth (demanded) Revocation of SRO 202 or Amend it to into 02 years. ④ <u>Changing the electric line for Bigger Fitters and station where laying below the ropeway from Trungal to Chill</u> → Both Private and Govt crane are now functional due to presence of electric line below both ropeway from Trungal to Chill siraj area 5. Repairing of school building at Tund. (Pvt. chill)

III	Overall perception of functioning of the government:
	The functioning of the government is good. The govt. is trying his best for the betterment, welfare and upliftment of the standard of the people at village level by starting and introducing different plans and schemes.
IV	Overall assessment of visit and suggestions:
	(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
①	Overall assessment of visit is satisfactory. The academic performance of school children in brass chit was found excellent. Some students got selected for Scholarship.
(2)	Education dept. is improving after grading of Diet Doda/DCC Doda.
(3)	Local educated youth is hopeful for getting jobs and new schemes in U.T. Irk. To my assessment as visiting officer, I am of the opinion and my observation is that Panch and Nal Jumbach team is dedicated. Panch functioning will give fruitful results.
