IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

People appreciate Govt. regarding the programme of B2V2 but wants for early start of work demanded by them in this programme.

The suggestion in this regard is that all the deptt. be directed to ensure to make DPR's & submit them to higher Authority for its consideration and all the deptt. designate some officer/official to the area to sort out issues which can be resolved at lower levels without financial implication like repair of street lights, repair of PHE pipe, clearing of KCC loan cars etc.
