Message

One of the key elements of good governance is the empowerment of democratic institutions so that people become real partners in decision making. After the successful conduct of Panchayat Elections in 2018, it was essential to reach out to the people for getting their valuable feedback for making the functioning of the democratic institutions as vibrant and meaningful institutions of governance.

With a view to reaching out to every nook and corner of Jammu & Kashmir, the Government conceived 'Back to Village (B2V) programme,' the first of its kind in Jammu & Kashmir. The programme which was organized from June 20-27, 2019, across all 4453 Panchayats focussed on energizing Panchayats, collecting feedback on delivery of government schemes/programmes, capturing specific economic potential and undertaking assessment of needs of the villages. People came out in droves to welcome the visiting officers and appreciated the initiative of the government. The initiative was widely acknowledged with Prime Minister Mr. Narendra Modi mentioning it in 'Mann ki Baat' on 28th July, 2019. The interface was visible and response so overwhelming and enthusiastic that some officers stayed in their Panchayats beyond the schedule.

Government has already released funds for the Panchayats to address the priority works identified during the first phase of B2V programme.

As B2V envisages equitable development of Panchayats with a sound financial base, it is expedient that the initiative is carried forward to assess the level of empowerment and institutionalization of the Panchayat Raj Institutions (PRIs) at the grassroot level viz-a-viz the impact of various flagship programmes and welfare schemes on the rural populace. The feedback so obtained will help the government to tailor the various central and other government schemes/programmes in improving delivery of village-specific services and making the village life better in terms of improved amenities and facilities. I am confident that B2V programme will evolve into an institutionalized, doorstep governance programme, which will help to deliver speedy and faster services and development.

I fervently appeal to Panchayat representatives as well as people to come forward to project their views before the visiting officers for strengthening the PRIs.

I would urge the Deputy Commissioners to coordinate the visit of officers to various Panchayat Halqas for better outcomes.

I am confident that our officers who will be a part of the B2V programme will work indefatigably to make the initiative a grand success.

(B. V. R. Subrahmanyam)

(Through visiting officer, Back to Village-2)
Camp Bijarni.Sub:- Tilling of lane from this main road to
common spring Bijarni proper.Sir, we, the inhabitants of village Bijarni proper
request your goodness as under:-

- ① That, village Bijarni proper comprises of about 85 house holds and is a panchayat. The panchayat Ghar is situated adjoining the village. Besides there is Govt. H.S. School and a separate Govt. Girls' p.p. school situated very close to the village. It has two wards - ward I & II.
- ② The Main Lane of this village leads to the common Spring, from where all the villagers fetch water for drinking and also carry their cattle/live stock to provide them drinking water.
- ③ That, this lane is thickly travelled by villagers, school children and outsiders, on which the lane gets wretched during rainy and snow fall days, thus creating problems for inhabitants and making the village dirty as well.
- ④ That, we, the inhabitants of this village have planned to put Tilles on this lane so that our village may become neat and clean besides making our lives safer and easier.

In view of the afore stated facts we very humbly request your goodness that funds for Tilling of this lane may kindly be provided. It is worth mentioning here that no Tilling work has been started in any village and it will be a new innovation in this regard.

We shall be highly obliged to you Sir. Yours faithfully,
Inhabitants of Village Bijarni
Panchayat Bijarni L-A
