

## III Overall perception of functioning of the government:

To some extent Govt Department works moved Govt but need to beon attention for the hard village. where as there should be to need more facilities for poor villagers. Hence the same demands should be sanction on a priority basis.

## IV Overall assessment of visit and suggestions:

(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

On Already the undersigned recommended various demand in B.V.I phase. The same should be sanction as soon as possible, on phase second B.V-2 villagers are in a aggressive mode, that the Govt is not sanctioned. Hence the previous demands so far I again recommended / reminder of previous demands of villagers. Hence the same should be sanctioned on a priority basis.
