III	Overall perception of functioning of the government:
	<p>It is a unique initiative of taking Governance right at the doorstep of the people, it will be milestone in empowerment of the Panchayats. At the Panchayat level the Public is not well versed about the schemes and programmes launched for their welfare, ultimately it could lead to their alienation from the Main Stream. BTV Programme will make them well versed about these schemes, when they will participate a sense of belonging will dawn on them. That will be real Panchayat Raj as envisaged in our constitution.</p>
IV	<p>Overall assessment of visit and suggestions:</p> <p>(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)</p>
	<p>Visit was fruitful for me as it gave first hand insight into the problems faced by the Rural population who constitute chunk of our population. Some suggestions - co-ordination between all the Departments and Panchayat needs to be improved if properly managed it will work as a well oiled machinery. A mechanism should be devised where Panchayats ultimately become self sufficient in finances. Start could be made by authorizing them collection of Electricity and water use charges, and then allowing them some percentage of revenue collected which is over and above the target fixed to be used for development of infrastructure.</p>
